## Actividades didácticas

### El exterior de la Catedral

The diagram is a detailed architectural floor plan of the Cathedral of Asidonia-Jerez. It shows the layout of the nave, choir, and apse. Several callout lines with black dots point to specific exterior features, which are illustrated in photographs:

- Top right:** Points to the main entrance door, shown in a photograph of a large, arched wooden door.
- Right side (middle):** Points to the ornate Gothic doorway, shown in a photograph of a highly decorated archway.
- Right side (lower):** Points to the statue of the Virgin Mary with the Christ Child, shown in a photograph of a green patinated statue on a pedestal.
- Bottom:** Three callouts point to the steps leading to the entrance, shown in a photograph of the stone steps.
- Left side (middle):** Points to the large stone bust of a figure, shown in a photograph of a stone bust.
- Bottom left:** Points to a relief sculpture, shown in a photograph of a stone relief.
- Bottom center:** Points to a relief sculpture, shown in a photograph of a stone relief.
- Bottom right:** Points to a relief sculpture, shown in a photograph of a stone relief.
